

## Now seeking: Fundraising Fellow

We're seeking a part-time fundraising fellow to help us raise the revenue we need to power our work and grow our impact. As a fundraising fellow, you'll receive unique networking opportunities, one-on-one professional development, and the chance to gain experience in nonprofit development and management.

Working with the development team, you'll help drive the progress we're able to make on issues like student debt, abortion rights, and climate change. If you're an organized, strong communicator with an interest in fundraising, we strongly encourage you to apply. Previous fundraising or events experience is not required—this is an opportunity for professional growth!

## About New Era

New Era Colorado is working to reinvent politics for young people, mobilizing and empowering a new generation to participate in our democracy to make Colorado a better place for everyone. We register and turn out thousands of young voters every year, we work on issues like election access, economic justice, abortion rights, and climate change, and we train hundreds of young leaders to create change. We've registered more than 150,000 young voters, passed policies like online voter registration, given out more than 60,000+ buttons that say "Vote, F\*cker" on them (good, right?), and made two viral videos ([This Is Why We Vote](#); [Campaign for Local Power](#)).

Our team is deeply dedicated to social change, and takes the work very seriously—but not ourselves. We truly believe in the power of young people.
